

BOARD OF DIRECTORS SCHOLARSHIP

In addition to need based scholarships, Southshore offers deserving students the chance to compete for a Board of Directors Scholarship. This scholarship will be awarded for academic and/or athletic excellence. There are a limited number of scholarships available, with the amount awarded at the discretion of the Board of Directors.

Students who feel that they meet the requirements specified below must submit a letter that outlines the reasons why they are requesting consideration for the Board of Directors scholarship along with the completed Application for Admission and all related admission documentation. Applicants may apply on the basis of academic excellence, athletic achievement or both. The application criteria for both categories of the Board of Directors Scholarships are listed below:

Board of Directors Scholarship for Academic Excellence

- You must achieve exceptional grades in the CIE O-Level May/June 2015 examinations as specified in your letter of admission.
- You must show consistently high performance in school transcripts.
- All previous school awards for academic achievements will be taken into consideration, if certificates or other supporting documentation are provided.

To maintain the Board of Directors Scholarship throughout your enrollment at Southshore, you must ensure the following:

- 85% attendance in all subjects throughout your enrollment at Southshore.
- Minimum B-grades in all subjects throughout your enrollment at Southshore.

Board of Directors Scholarship for Athletic Excellence

- You must demonstrate significant athletic achievements in one or more school sports.
- Your application must be supported by documentation of your athletic achievements, such as certificates, recommendations and more.
- You must show reasonable academic performance in the CIE O-Level May/June 2015 examinations as well as in your school transcripts.

To maintain the Board of Directors Scholarship throughout your enrollment at Southshore, you must ensure the following:

- 85% attendance in all subjects throughout your enrollment at Southshore.
- Minimum C-grades in all subjects throughout your enrollment at Southshore.

Any scholarship award being made prior to the publication of the CIE O-Level May/June 2015 examination results is contingent upon the final grades achieved and may be revoked or modified should the student fail to achieve the required standard.
